CIVIL SERVICE MOBILITY SCHEME

18 January 2017

Dear Branch Secretary,

Further to circular BC004/17 on Civil Service Mobility Scheme

I would like to clarify that the Pilot areas are Wexford Town (including Johnstown Castle and Rosslare Harbour) and Cork City only as was clearly shown in the Appendices.

The on-line portal will only be visible to those in these agreed catchments.

For clarification on priority

- All applications received between the date of 1 February and 14 February will be treated as day 1. Priority will be based on day 1 application. Where more than one application is received in this period, actual length of reckonable service in the current grade will determine the priority.
- All applications received between the date of 15 February and 28 February will be treated on a daily basis. Priority will be based on date of application. Where more than one application is received on the same date, actual length of reckonable service in the current grade will determine the priority.

Updates regarding Mobility will be available on www.hr.per.gov.ie.

Apologies for any confusion caused.

Yours sincerely,

Eugene Quinn,
Assistant General Secretary.
