MOTION

26 January 2017

Dear Branch Secretary,

The following motion was adopted at the 2016 ADC:

A.108 *This ADC instructs the incoming Executive Committee to seek to obtain a mobile phone package with one of the providers at an attractive rate for PSEU members.*

Environment & Local Government

The Executive Committee decided to explore the market with a view to obtaining an attractive mobile phone package. None of the unionised providers approached were prepared to provide a mobile package on a standalone basis. *Eir* has offered a “bundle”, details of which are given hereafter.

The bundles and price points they are offering are as follows:

Bundle	Contract length	Platinum offer
Broadband & home phone	12 months	€40 for 12 months
Broadband, Mobile unlimited handset plan & home phone	18 months	€80 for 18 months
Broadband, TV & home phone	18 months	€55 for 18 months
Broadband, TV , Mobile unlimited handset plan & home phone	18 months	€90 for 18 months

To expand on the above – all call packages for the home phone will give unlimited calls to all Irish and UK mobiles and landlines. Mobile bundles come with a free iphone SE or equivalent and have unlimited calls and texts to all networks, free unlimited social media (facebook, youtube etc) and 15GB of data.

In addition to this every PSEU member will receive the below:

- Free eir Sport Pack with eir Sport 1 & 2, plus 4 BT Sport channels (normally €20 with other providers)
- Free superior WiFi Modem
- Free installation
- Free Parental controls
- Access to eir StudyHub – 400 hours of quality tutorials for secondary level students
- Half price Sky sports and Sky Cinema for 12 months.

The Executive Committee has considered these bundles, and whilst not expressly endorsing them, has decided to bring them to the notice of members should they wish to explore them further on a personal basis.

Yours sincerely,

George Maybury
Assistant General Secretary.
